

Fortune teller or coatie catcher

How to build:

1. Colour the circles and/or write the numbers 1-8 in them.
2. Cut the big square out and put the paper with the pictures face down on the table.
3. Fold the corners to the middle and turn the paper. (Pictures are now on top)
4. Fold the paper along into a rectangle and push the corners out. Ready to play.

How to play:

1. Find a partner. Ask him to choose a number X between 1 and 10. *"Tell me a number between 1 and 10."*
2. Move the catcher for X times. Ask your partner to choose a number or a colour. (Depends on your preparation. *"What colour (number) would you like?"*)
3. Open up and ask the Question!
4. Your partners turn...

Have fun!
